**VISITING POLICY**

**PLEASE NOTE FOR YOUR VISIT:**

- The “2G+” rule applies for visitors and accompanying persons: you must be vaccinated/recovered and have been tested
  - You must be fully vaccinated (proof of vaccination, with the second vaccination at least 14 days ago), or you must have recovered from COVID-19 (proof with a positive PCR test that is at least 28 days old and at most 6 months old).
  - You must also have a negative test result (rapid antigen test that is at most 24 hours old from an approved test centre, or PCR test that is at most 48 hours old).
  - These rules also apply to people who have received a booster vaccination. The regulations for North Rhine-Westphalia do not include any exemption from the testing requirement in healthcare facilities.
- You must present an identity card/passport/driver’s licence.
- Visits are allowed from the 1st day of treatment if the patient has a negative PCR test.
- Adult patients may receive a visit from 1 person a day.
- Children and adolescents may receive a visit from 1 person (a parent/legal guardian) per day (in addition to the person already accompanying them).
- Only 1 visitor at a time is allowed in the patients’ room (this must be coordinated with other patients in the room).
- Visitors may not have a temperature or any infections (gastrointestinal or respiratory).
- Children under the age of 12 may only visit the hospital on consultation with the department in question.

**VISITING TIMES:**

- **LENGTH OF VISIT:** 1 hour at most is recommended
- Monday to Friday: 2 to 7 p.m. (last admission: 6 p.m.).
- Saturday, Sunday, public holidays: 10 a.m. to 7 p.m. (last admission: 6 p.m.).

**EXCEPTIONS:**

- The visiting policy may differ in certain parts of the hospital.
- Individual arrangements can be made with the department in question for children and the seriously ill or in emergencies and crises.
