

VISITING POLICY

PLEASE NOTE FOR YOUR VISIT:

- Visits are allowed from the 1st day of treatment if the patient has a negative PCR test.
- Only 1 visitor at a time is allowed in the patients' room (this must be coordinated with other patients in the room).
- Visitors may not have a temperature or any infections (gastrointestinal or respiratory).
- Children under the age of 12 may only visit the hospital on consultation with the department in question.

VISITING TIMES:

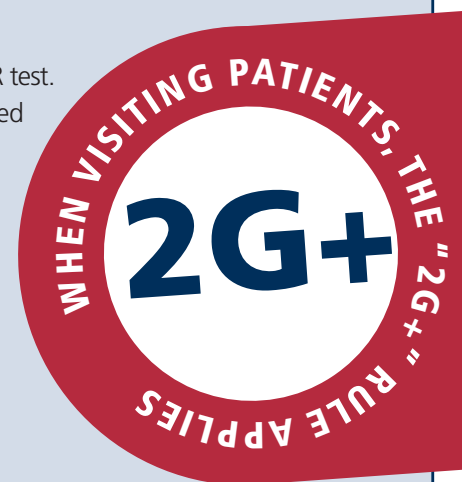

- Monday to Sunday: 10 a.m. to 7 p.m.
- Length of visit: 1 hour at most is recommended

EXCEPTIONS:

- The visiting policy may differ in certain parts of the hospital.
- Individual arrangements can be made with the department in question for **children and the seriously ill or in emergencies and crises.**

ACCOMPANYING PERSONS:

- Fully vaccinated accompanying persons require a negative rapid antigen test (at most 24 hours old from an approved test centre), or PCR test (at most 48 hours old).
- Unvaccinated accompanying persons require a negative PCR test (at most 48 hours old).
- There are exceptions for persons accompanying emergency patients in the Emergency Department / Emergency Department for children.

Please present the relevant evidence at the information desk without being asked.
